## BODY PARTS VIDEO DIALOG

**Mr. Jones:** Hello, Susan. Where is my right hand man, Johnson?

---

**Susan:** Johnson? Off the top of my head, I would guess he is still at lunch.

---

**Mr. Jones:** At lunch? It has been two hours. He is stealing time from the company right under my nose!

---

**Susan:** Well, sir, maybe it's a business lunch. He is probably giving our clients a hand. I think they went to *Le Figaro*.

---

**Mr. Jones:** *Le Figaro*? That restaurant is expensive! Our company must be paying through the nose for his lunch! This kind of thing just gets on my nerves!

---

**Susan:** Oh no! I shouldn't have said anything. I really put my foot in my mouth. Please don't give Johnson the cold shoulder when he gets back to the office.

---

**Mr. Jones:** Use your head, Susan! If Johnson wants to pull the wool over my eyes about his business expenses, then *you'll* get a double bonus this year for keeping your nose clean.

---

**Susan:** Thank you, sir. But I still feel like I shouldn't have opened my big mouth.
